

HAYA BARAKAT

WEB DEVELOPER | UX DESIGNER

Profile

I am a highly motivated web developer, with multimedia design background. I like building websites, web apps, and everything related. I also enjoy creating good user experiences. Passionate for learning and growth, eager to take on new challenges and develop both personally and professionally. School and life taught me that teamwork makes the dream work. I am open minded and like to think outside of the box. I believe that every problem is solvable.

Experience

2023 Swap Language – Web developer intern

- Gained insight into the end-to-end process of creating a web app in the software industry.
- Contributed into creating reusable code and expand the components library.
- Participated in the development process using Blazor Server approach together with .NET (Core).
- Gained a solid foundation on the Design first approach for APIs, Repository Service Pattern, and the microservices architecture.
- Applied Tailwind CSS and jQuery to craft an intuitive and visually appealing user interface for the platform, enhancing user experience and engagement.
- Created E2E UX and UI tests using Cypress to ensure each flow matches the expected behavior.

2023 2022 Moment – Temp (Vikariat)

- Demonstrated adaptability by excelling in diverse work settings and environments, consistently thriving in unfamiliar surroundings.
- Quickly grasped and executed tasks, showcasing a rapid learning ability and ensuring efficient workflow.

2021 ParkShare – Frontend intern

- Actively contributed to the development of a Minimum Viable Product (MVP) focused on a web application for parking spot rental services.
- Created mockups, ensuring alignment with user needs and keeping a consistent design.
- Gained hands-on experience and a fundamental understanding of React.js, SPAs, and front-end web development. Utilized JSX syntax for component development.
- optimized user interfaces for efficiency, and participated in agile project management processes.

2020 Waiteer – Food delivery

2020 Hotel Britannia – Dishwasher

2015 2013 Aleppo, Syria – Primary & pre-school teacher
